About the event

Elexicon Energy and Grandview Kids have proudly partnered to host our inaugural Dream Big, Dream Brighter event. Please help us make the future a brighter place and join us for an intimate fundraising dinner supporting Grandview Kids. Be a champion of inspiration and help thousands of children and youth with physical, communication, and developmental needs live life at their full potential right here in our shared community of Durham Region.

Event details

So, mark your calendars for November 24, 2022, and pin your maps to The Lake House in Pickering, one of Durham Region's most breathtaking New England Style venues and celebrate our first Dream Big, Dream Brighter event with us. The festivities will begin at 6:00 pm with a cocktail reception overlooking picturesque views of Pickering's waterfront, followed by a three-course delectable dinner, silent auction, keynote speakers, and other special guests. Get inspired by the limitless possibilities and power of the collective community.

Why your support matters

The Dream Big, Dream Brighter event is significant for Grandview Kids to provide continued life-changing services, such as physiotherapy, occupational therapy, behavioural support and paediatrics. It will also help families address speech-language and audiology concerns, and support their well-being through therapeutic recreation and social work. Our services are one of a kind, and there are no other places like Grandview Kids. The breadth and reach of our supports are in such high demand and are growing exponentially, currently exceeding 19,000 children and youth. Help us support every single child and youth in our shared community so they can live life at their full potential.

How you can help

Please find enclosed in this package event pricing and sponsorship opportunities for your consideration. Join a league of individuals who believe in equal opportunities for every single child and youth to achieve their limitless potential.
